

# The Swag

REMOTE | RUSTIC | REFINED | REMARKABLE

## A romantic adventure...

at The Swag is like no other vacation you've ever experienced. Journey to our mountaintop and you'll find incomparable Smoky Mountain views, an award-winning restaurant, pampering accommodations, world-class hiking trails, and warm hospitality. Once you've arrived there is little need to leave our grounds until you depart for home. Even gourmet meals are included. You'll find plenty to do – or enjoy doing nothing at all – on our spectacular grounds and in our common spaces. And, if you have a specific need, our wonderful staff will meet it.

## Spectacular Smoky Mountain Splendor

Walk out our front door and discover stunning views, secluded private hideaways in the woods, and numerous hikes – from simple strolls to challenging climbs on our 250 acres or in the park.

- Sink into a hammock together or soak in the hot tub – gazing out over four of North Carolina's six highest mountain ranges.
- Enjoy a picnic lunch on the lush front meadow.
- Join a hiking excursion program led by renowned naturalists and authors.
- Experience the fine casual dining and creative regional cuisine that is the hallmark of The Swag.

## Pampering Accommodations

All lodging accommodations are individually decorated with handmade quilts, woven rugs, early American rustic antiques, and original artwork. Many rooms feature private balconies, fireplaces, soaking or spa tubs and steam showers. All guestrooms feature:

- Warm, fluffy robes
- Personalized hiking stick
- Hair dryer and makeup mirror
- Wireless internet & telephone
- Bose CD player & XM satellite radio
- An 8-page New York Times summary waiting outside your door each morning
- Coffee maker, bean grinder, and a small refrigerator stocked with soft drinks and snacks
